Respected Sir

I beg to state that I have commenced building a small house in the Chamaraja Mohalla of the Mysore city. This step I found myself to take, owing to
I was put to during the last 5 years since the outbreak of the Plague Your honor is fully aware of the risks to which officials are exposed during the Plague season, being unable to get the place just like others.

2. The foundation of the house has been completed and the walls above the ground have reached

the height of 3 ft. I now find myself unable to proceed with the work for want of funds and therefore beg of Your honor to kindly recommend the grant of a loan of 6 months pay from Govt. under the provisions of Artcl 136 of the Civil Account Code.

I beg to remain.
